Have some Q's?

What is the coworking space?

Coworking is a space where adults can have a professional space away from their kids to get their work done, have meetings, make phone calls, catch up on email, collaborate, or whatever else you need to do.

What is Kidville?

Kidville is the #1 place for families with young children. Classes, birthday parties, and premium amenities to help kids learn, play, and grow.

Should I be dying to come to this event?

Yes! This is the first of it's kind in Chicago!

Is the parking really free?

It sure is! No validation tickets or anything. The garage entrance is on Kingbury St. just north of North Ave. Kidville is located on the third floor but you can hop on the elevator to Kidville from any floor.

Something came up, can I get a refund?

Bummer! We will try to be flexible - email us at hello@collidecoworking.com,

What will my kid be doing all day?

It depends on the time that you're there, and how old they are. See the activities schedule to get an idea.

Can I see my kid?

Of course! Come in and come out whenever you please! The rooms have windows, so you can peek in as well.

Can I nurse my baby?

Absolutely, that's kind of the point of all of this. A comfortable glider awaits you.

Is there a space I can pump?

Yes, let us know and we'll be happy to set you up, there's also a refrigerator you can use.

Are you going to have more events?

We would love to! Get on our [mailing list](#) and we'll keep you updated!
